

SMOKY LAKE COUNTY

Title: Hydro-Axe operation: Notice to landowners / resident(s)	Policy No.: 17-01
Section: 03	Page No.: 1 of 1

Legislation Reference:	<i>Municipal Government Act</i>
-------------------------------	---------------------------------

Purpose:	This notice shall serve to notify yourself and all other persons within the below noted legal description or address that the County will be operating a tree cutting equipment called the “ Hydro-Axe ” adjacent to the below noted legal description or address.
-----------------	---

Policy Statement and Guidelines:

In the interest of safety to yourself and others, you are required to adhere to the following safety instructions:

- All persons to stay at least 1320 feet or ¼ mile from the operating hydro-axe**
- or**
- All persons to have at least two (2) solid walls between yourself, others and the operating hydro-axe.**

In the interest of performing a clean proper job of cutting trees with the hydro-axe, the County may cross your property line.

Please indicate your approval by initializing within this box.
