

SMOKY LAKE COUNTY

Title: Cold Weather - Equipment Mobilization	Policy No.: 40-02
Section: 03	Page No.: 1 of 1

Legislation Reference:	Alberta Provincial Statutes
-------------------------------	-----------------------------

Purpose:	To provide for the safety of employees and to prevent equipment failure during extreme cold weather.
-----------------	------------------------------------------------------------------------------------------------------

Policy Statement and Guidelines:	
1.	<p>STATEMENT:</p> <p>1.1 Smoky Lake County Maintenance Equipment shall not be mobilized if the outside temperature is -38 degrees Celsius or colder (including the Wind Chill factor temperature).</p> <p>1.2 Exception to this policy shall be made in case of an emergency or a severe storm.</p>
2.	<p>GUIDELINES:</p> <p>The Public Works Manager, in consultation with the Chief Administrative Officer, shall determine:</p> <p>2.1 the outside temperature for purpose of this policy.</p> <p>2.2 if an emergency or severe storm condition exists.</p> <p>2.3 whether maintenance equipment should be mobilized.</p>
