

SMOKY LAKE COUNTY

Title: Unbudgeted Emergency Expenditures	Policy No.: 12-02
Section: 08	Page No.: 1 of 1

Legislation Reference:	Alberta Provincial Statutes
-------------------------------	-----------------------------

Purpose:	To identify how emergency expenditures not in the budget are authorized for payment.
-----------------	--

Policy Statement and Guidelines:
<p>Payment of expenditures not included in a Total Function Budget or otherwise authorized by Council, the following procedures will apply:</p> <p><u>Definition: Emergency:</u></p> <p>Emergency: An occurrence or situation that arises which could jeopardize the safety, health, welfare, or the protection of people and property in Smoky Lake County.</p> <p><u>For an Emergency:</u></p> <p>If in the opinion of the Reeve, Deputy Reeve, Chief Administrative Officer, a designated officer or an employee, an emergency arises – these persons shall be authorized to approve the said expenditure(s). A designated officer or an employee may authorize the expenditures only if they have been delegated that responsibility or it is contained with their respective job description.</p>
