

SMOKY LAKE COUNTY

Title: Compensation for Road Construction	Policy No.: 08-05
Section: 03	Page No.: 1 of 1

Legislation Reference:	Municipal Government Act, Section 18
-------------------------------	--------------------------------------

Purpose:	To provide regulation and compensation for road construction.
-----------------	---

Policy Statement and Guidelines:
<p>Regular Roads:</p> <p style="margin-left: 20px;">A. <u>Landowner Initiative:</u> The County will fence but the owner will supply necessary posts and wires; the owner is to remove existing posts and wire if he/she wants to reuse same.</p> <p style="margin-left: 20px;">B. <u>County:</u></p> <ol style="list-style-type: none"> 1. If there is an existing fence, the County will remove the fence - if the County requests to construct the road. 2. The County will be responsible for first picking of rocks and roots, thereafter the landowner is to be responsible for picking rocks and roots after the construction has been completed. <p>Special Roads:</p> <ol style="list-style-type: none"> 1. The County will fence but the owner will supply necessary posts and wires; the County is to remove existing posts and wire if he/she wants to reuse same, if there is an existing fence. 2. The County will be responsible for first picking of rocks and roots, thereafter the landowner is to be responsible for picking rocks and roots after the construction has been completed. <p>Backsloping under the Agricultural Service Board - <u>\$500.00</u> for backsloping per one half mile subject to prior commencement and final construction approvals, as per construction specifications, subject to current budget restraints; and if the landowner supplies necessary posts and wire, the County will supply labour to fence.</p> <p>Burrow Pits - be negotiated up to a maximum of <u>\$250.00</u> per acre for burrow pits or landscape borrow necessary to acquire fill material for road construction and the owner is responsible for necessary fencing and signage.</p>
